After successfully completing the first phase of the organization of the tenth edition of TIFF 2012, that was the application, now comes the second phase of the delicate turn in official competition selection.

After the second week of October, we'll officially announce the selected films at TIFF 2012, long features, short films as fiction, documentary, animation and experimental.

An important part is taking the year-on-year in the competition section classifieds film productions from film schools in Albania, Kosovo and elsewhere in the Albanian-speaking world.

We thank all the directors and producers of more than 1000 films who applied this year at TIFF. Increasing this number confirms for the tenth time that TIFF offers them confidence and quality to promote universal values of cinematography.
