Synopsis:

The French voice of an old man jumps from one extreme scene to another, confused by the story which he is trying to tell us. Until he finally is aware of it.

Filmography:

Martín Rosete. Madrid, 1980. He directed his first 35mm short film, Revolution, aged 21, and won more than 50 awards in international festivals. Martín studied Audiovisual Communication at the Universidad Complutense in Madrid and, later, Directing at the International School of Cinema and Television in Cuba; he was invited to the Talent Campus at the Berlin Festival and studied a Master's Degree in Directing in New York. After Voice Over, he is now preparing his first feature film in the USA.
