

### NEW FEATURES – PARALEL SCREENINGS

TIRANA INTERNATIONAL FILM FESTIVAL has the pleasure to announce four major new services available for applicants: TIFF.TV Competition, TIFF Online Library, TIFF Market Corner and TIFF on Tour. Since its inception in 2003, TIRANA INTERNATIONAL FILM FESTIVAL receives over 15,000 short films from over 107 countries around the world. Out of all these applications only 100 films can be chosen each year for the competition program. With these three new services, Tirana IFF offers the opportunity to many films to be shown in alternative ways (TV, online, market, special programs) in a wider audience and experts.

The applicants must apply clearly for each one of these new services. Fill the appropriate field in the entry form.

#### 1. **TIFF.TV Competition**

With our partners, DigitAlb TV we offer the possibility to directors screening their films (selected for the official competitive program or not) to the Albanian audience and win the TV audience awards in the following categories: Best DigiFeature, Best DigiFiction, Best DigiAnim, Best DigiDoc, Best DigiExp.

#### 2. **TIFF Online Library**

With our partners altcine and altcineAction! TIFF offer the online presentation of each film, in a dedicated page, as a part of a film library, with all related information and with the possibility to receive comments from the international Internet audience and industry. The screening of films is open to anyone without charges. The films will be available for viewing in the film library as long as director/producer wishes.

#### 3. **TIFF Market Corner**

TIRANA INTERNATIONAL FILM FESTIVAL will create a market corner during the nine days, where potential buyers can watch all films and make their selection. Tirana IFF will also act as a festival promoter and distributor. In case of financial contract with a distributor, Tirana IFF will receive a fee of 5%.

#### 4. **TIFF on Tour**

Tirana IFF will act as ambassador for the submitted films and will travel with a selection to other Albanian cities during the year. TIFF will also propose special screenings to other regional festivals in accordance to a specific subject or theme of each collaborative festival.
