

Submissions Map TIFF 2016

The 14th edition of Tirana International Film festival has marked a record number of 1400 applications, taking into consideration that this year for the first time was applied TIFF Entry Fee for all participants, except for films in Albanian language. This high number of applications shows the high reputation that TIFF has achieved over the years with a cured selection with a rich artistic program. Inflow from 120 countries of the world of this edition prove in the best way, the echo that TIFF has spread as an independent festival with strong professional criteria.
